

Lesson #4: How to Play Your First Notes on the Flute

Step 1: Play your First Note "C"

Start by placing your index on the second key of the main body, and your pinky on the first key of the Footjoint. Now, blow over the embouchure hole.

Step 2: Play your First Note "C Scale"

Blow over the embouchure hole while slowly pushing down the keys one by one, starting with "C". This will create a descending "C Scale".

Step 3: Play your First Melody

"Joy to the World"
